The manufacturer of the ERIBA Touring cult caravan range is launching its latest product on the market: featuring a bicolour exterior and wide range of equipment, the new ERIBA Car on a VW chassis combines quality and functionality with extraordinary design. The new camper van has a powerful 140 or 177 hp engine and offers a number of customisation options.

MAIN HIGHLIGHTS:

- Camper van on VW chassis with front-wheel drive and extensive assistance systems
- Choice of 140 or 177 hp engine
- Bicolour exterior as standard in three colours: Deep Ocean/Candy White, Cherry Red/Candy White or Metallic Indium Grey/Metallic Reflex Silver
- Side walls and ceiling clad in noise-absorbing, soft-touch felt
- New “Deep Ocean” material with matching “Tiberino” dark furniture finish and yacht-effect flooring
- Choice between “Toledo Sand” and “Seattle Stone” standard fabrics and two types of leather, either “Dayton Cognac” or “Boston”, with matching living area cushions and decorative stitching
- Standard driver assistance systems to make journeys as safe and as comfortable as driving a car
